It will hereinafter be referred to as Civil Engineering Graduate Student Association(CEGSA).

***1.II Compliance:*** Civil Engineering GSA operates at York University, subject to York University and York University Graduate Students Association (YUGSA) policies and procedures.

## **Article 2: Preamble**

The Civil Engineering Graduate Student Association—hereafter referred to as the CEGSA—represents and advocates for the collective interests of Civil Engineering graduate students in all matters of departmental policy and action at York University. The CEGSA seeks to build community among the graduate students, faculty, and larger university, with consideration for diverse experiences and interests. Above all, the CEGSA works to optimize the environment within which graduate students develop, both professionally and personally.

## **Article 3: Membership**

The members of the CEGSA are Civil Engineering graduate students. Current enrollment in the graduate program is sufficient for membership. No general membership dues will be collected from members, although members may be expected to pay nominal fees for specific events.

## **Article 4: Meetings**

CEGSA meetings will be moderated by the President/Secretary and held a minimum once per semester during the academic year. All members are invited and encouraged to attend. Normally, any voting will take place in the meeting, and members who are not in attendance at the meeting forfeit their right to vote, unless a proxy vote has been arranged in advance. The CEGSA does reserve the right to put any vote. In these cases, the issue will be presented via written or electronic memo to all members, and members will be given a pre-specified period of time in which to cast their ballots.

Before any official action is taken by the CEGSA, a majority vote must be obtained for those votes taken outside of meetings (as per the stipulations outlined above). In all cases, the votes of all members will be weighed equally.

### **Article 5: Elections and Eligibility**

Elections for CEGSA offices will be held in the first week of October every year. Only current members may hold official positions. All candidates must submit the nomination form (attached at the end) one week earlier to the current CEGSA President/Secretary/election officer/graduate program assistant. No individual may hold, or run for, more than one CEGSA position at the same time. After the nomination period, ballots will be distributed [electronically] to all graduate students, and persons will have a pre-specified period in which to cast their ballots. For each position, the person receiving the largest number of votes will be elected. Ballots will be submitted to and tabulated by the current CEGSA President/election officer/graduate program assistant.
